THE ISLANDS COMMUNITY COOKBOOK will be brimming with memories of festive times, photos of the neighborhoods we love, and filled with the best recipes of our families, friends, and the entire Islands community. This cookbook will be an eagerly sought-after gift at the holidays!

THE PARTICIPATION OF EVERYONE IN THE ISLANDS will be vital in making this the special book we envision.

- **CUSTOM COVER** -The front and back of our hardback cookbooks will be finished with a linen-finish plastic lamination and bound with a plastic comb. Each cookbook will have a full-color cover with matching back cover.

- **HISTORY**—Our Design committee is adding photographs and stories of the development of The Islands—from it's beginning as The Street of Dreams in 1987 until now.

- **DIVIDERS**—Each cookbook will have a coordinated matching divider set of 8. The back of each divider will have Helpful Hints.

- **COOKING HINTS**—Each cookbook will have 16 pages of Cooking Hints (Counting Calories, Measurement Substitutions, Cooking Terms, and more)

- **RECIPES**— All Islands residents are encouraged to submit recipes for consideration for the cookbook. You may add 2 lines after your name for town, in memory of, etc. You may also include a Note about the recipe—history, suggested uses, nutritional information, etc.

- **ADVERTISING PAGES**—Local business owners will be able to purchase ads for inclusion in the cookbook. The revenue will reduce our cookbook costs and increase the amount raised for our charities.
